Dear Taxpayer

TAX SEASON 2022 - You may not need to submit an Income Tax Return (ITR12)

According to the information that SARS has at its disposal at this time, you need not submit a return for Tax Season 2022.

Should your circumstances remain unchanged and you still meet the criteria stipulated below as it relates to the tax period from 01 March 2021 to 28 February 2022, then please do not submit an income tax return for 2022 tax year.

You do not need to submit a return if ALL the criteria below apply to you:

- Your total employment income / salary for the year (March 2021 to February 2022) before tax (gross income) was **not more than R500 000**
- You only received employment income / salary for the full year of assessment (March 2021 to February 2022) from **one employer**
- You have **no other form of income** (e.g. car allowance, business income, taxable interest or rental income or income from another job)
- You **do not want to claim** for any additional allowable tax related deductions (e.g. medical expenses, retirement annuity contributions, travel expenses, etc.).

You can also visit www.sars.gov.za and click on "Do you need to submit a return" on our Tax Season page to check if you need to submit an income tax return. If you don't have internet access you can consult your registered tax practitioner or call our Contact Centre on 0800 00 7277.
