PERSONAL DETAILS

Date of Birth : 10/08/1997
Nationality : South African
Gender : Female
Driving Licence : C1

SKILLS

Communication skills
Teamwork
Time Management
Attention to detail
CAD
Conventional Turning
Surface Grinding
Milling
Problem solving
Mechanical aptitude

OBJECTIVE

Motivated and hardworking Toolmaker Apprentice with Engineering Studies N3 and practical experience in manual Machining, CNC operations, Toolroom maintenance and manufacturing. Strong leadership experience as a Stats SA Field worker Supervisor. Eager to apply my technical skills, continue learning and grow within a reputable engineering or manufacturing company.

EDUCATION

LUNGISA HIGH SCHOOL

2017

Matric

12

EAST CAPE MIDLANDS COLLEGE

2019

Engineering Studies

Fitting and Machining N1&N2

EAST CAPE MIDLANDS COLLEGE

2021

Engineering Studies

Mechanotechnology N3

EXPERIENCE

STATS SA

February 2022 - May 2022

FIELD WORKER SUPERVISOR

Supervised and coordinated fieldworkers

Ensured accurate collection and verification of survey data

Conducted quality assurance checks

Resolved fieldworkers challenges and maintained project deadlines

Ptsa TDM Powered Toolmaker

July 2022 - June 2026

Apprentice

Produced CAD drawings

Read engineering drawings and technical specifications.

Used precision measuring instruments

Performed manual machining operations

Followed workshop safety procedures.

Performed CNC machine operations

CNC operations
Blueprint Reading

CRH-africa

April 2024 - August 2024

On-Job-Training

Assisted in toolroom maintenance and repair

Operated conventional lathe

Used measuring instruments

Operated surface grinding

Operated vertical milling

Tk Manufacturing

August 2025 - June 2026

On-Job-Training

Performed CNC machine operations

Operated conventional milling machine

Operated Surface Grinding

Conducted quality inspection of machined components
