SUMMARY

Dedicated and hardworking professional with experience as a Warehouse Assistant and General Worker. Possessing a National Senior Certificate (NSC) and a strong skill set that includes teamwork, leadership, warehouse operations, goods receiving, customer service, and housekeeping. Demonstrated ability to work effectively in fast-paced environments while maintaining high standards of efficiency and accuracy. Committed to delivering exceptional service and support in all tasks, contributing to overall operational success and customer satisfaction.

OBJECTIVE

Detail-oriented Warehouse Assistant with experience in inventory management and order fulfillment. Seeking to leverage strong organizational skills and efficient work ethic to contribute to team success. Committed to maintaining a safe and productive environment while meeting and exceeding operational goals.

PROFESSIONAL EXPERIENCE

WAREHOUSE ASSISTANT

CTM Phuthaditjhaba (Prolay CC). Phuthaditjhaba | July 2025 - July 2026

Assisted in daily warehouse operations, including receiving, processing, and storing incoming shipments. Conducted inventory checks, maintained a clean and organized workspace, and ensured the timely fulfillment of orders. Collaborated with team members to enhance workflow efficiency and accuracy in inventory management.

GENERAL WORKER

Ifrica (Pty Ltd). Phuthaditjhaba | April 2024 - May 2025

Assisted in various tasks, including loading and unloading materials, maintaining cleanliness and organization of work areas, and supporting team members with daily operations. Followed safety protocols and procedures to ensure a safe working environment, contributing to overall productivity and efficiency in the workplace.

EDUCATION

NATIONAL SENIOR CERTIFICATE (NSC)

Maanankoe Secondary School. Tsheseng Village, Phuthaditjhaba | January 2023 - November 2023

Completed the National Senior Certificate (NSC), acquiring a comprehensive understanding of various subjects including mathematics, science, Tourism and languages. Developed critical thinking and problem-solving skills through collaborative projects and assessments. Enhanced communication abilities and learned effective study techniques essential for academic success.
