

RAMOTSE TSOTETSI

8066 Oliver Street, Tsakane Ext 5, Langaville, Brakpan | 084 541 1868 | Ramotsetsoetsi433@gmail.com

PERSONAL PROFILE

Hardworking and dedicated matriculant with a strong self-taught foundation in using AI tools to build practical digital products, including apps and websites. Currently building e-commerce ventures independently while actively seeking part-time employment. Reliable, quick to learn, and comfortable working with technology and people.

KEY SKILLS

- Practical use of AI tools to build websites and apps
- E-commerce operations (online store setup, product listings, order management)
- Basic digital marketing and social media content
- Self-directed learning and problem-solving
- Strong work ethic, punctual, and dependable
- Good communication skills in English and Sesotho
- Comfortable working directly with customers and handling transactions

EDUCATION

National Senior Certificate (Matric) — Phulong Senior Secondary School

Subjects: Business Studies, Economics, Tourism, Mathematical Literacy, Sesotho, Life Orientation, English

EXPERIENCE

Founder / Operator — Self-employed E-commerce Ventures (AMERO & Little Nest)

- Set up and managed online stores, including product research, listings, and store policies
- Used AI tools to design websites, apps, and marketing content
- Managed supplier sourcing and pricing to maintain profit margins
- Handled day-to-day operations independently using only a mobile phone

LANGUAGES

English, Sesotho, Zulu
