PROFESSIONAL SUMMARY

I am a 22 year old female currently unemployed looking for Any job I completed my matric in 2022 and obtained a diploma pass, and went for solar training and is were I obtained 3 certificates .

WORK EXPERIENCE

Solar technician

Kp Cares · Johannesburg · 2024-02-06 · 2024-07-31

- I have hands-on experience in solar panel installation, including mounting, wiring, inverter installation, and system maintenance. I completed intensive training from February 2024 to July 2024, where I obtained 3 certificates in Solar PV Installation, Electrical Safety, and System Maintenance. I am passionate about renewable energy and eager to apply my skills in a practical work environment.
