

Thando Jantjie

Assembly Technician, in-store merchandising

0665005119 | thandolwethujantjie@gmail.com | Johannesburg, Gauteng

PROFESSIONAL SUMMARY

Motivated and practical entry-level Assembly Technician based in Johannesburg, seeking to build a dedicated career in in-store merchandising and display setup. Demonstrates strong mechanical aptitude, manual dexterity, and a keen eye for detail when following assembly instructions and setting up product displays. Highly reliable, physically fit, and comfortable working flexible shift hours in fast-paced retail environments to ensure safe, neat, and accurate floor presentation. Possesses strong problem-solving skills and a collaborative approach, ready to support store teams and meet tight installation deadlines. Eager to secure an entry-level position where quick learning and commitment to quality workmanship will contribute to high visual merchandising standards.
