Professional Profile

Motivated Agriculture Graduate with a Diploma in Plant Production from the University of Mpumalanga. Experienced in soil and water management, fruit and vegetable production, and farm management. Completed a 12-month internship at The Fruit Farm Group SA, gaining hands-on expertise in avocado and macadamia cultivation, irrigation management, crop protection, and harvesting. Skilled in both field operations and administrative processes such as GlobalGAP and SIZA compliance. A hardworking, adaptable, and detail-oriented individual seeking entry-level opportunities in agriculture where I can contribute to sustainable crop production and farm operations.
