OBJECTIVE

Motivated and goal-oriented Electrical Engineering N6 graduate seeking a learnership or internship opportunity where I can apply my theoretical knowledge and technical skills in a practical work environment. I am eager to gain hands-on experience, develop professionally, and contribute positively to the success of the organization. With a strong work ethic, willingness to learn, and ability to work well both independently and within a team, I am committed to continuous growth and delivering quality results while building a solid foundation for my engineering career.
