Personal Profile

- I am a highly motivated, confident, and target-driven individual with a strong passion for sales, customer service, and building lasting customer relationships. I have good communication and persuasion skills, with the ability to understand customer needs, promote products, recommend suitable solutions, and contribute to achieving sales targets. I am eager to learn new sales techniques, attract customers, and help drive business growth. I am also adaptable, reliable, and hardworking, with the ability to work well under pressure and perform effectively in sales consultant, waitress, and general worker positions. I am committed to delivering excellent service, maintaining a positive attitude, and adding value to any team I join.
