The Recruitment Team*

Good day Manager

I am writing to apply for the any youth program. I completed my National Senior Certificate at Qalabotjha Secondary School in December 2025 with a Diploma pass, and recently completed Digital Literacy at Nemisa.

I am ambitious, disciplined, and passionate about helping people achieve financial freedom. With strong communication skills in English, Sesotho and Isizulu, good numerical ability, and a customer-first attitude, I am eager to learn and grow within the organization.

I am a fast learner, reliable, and comfortable working with people and technology. I believe if given a chance I will give the foundation to build a long-term career, while contributing to company's purpose of driving South Africa's growth.

Please find my CV attached. I would welcome the opportunity to discuss how I can contribute to the team.

Thank you for your consideration.

Kind regards,
Sbongile Chakala
