RE: APPLICATION FOR ENVIRONMENTAL MANAGEMENT INTERNSHIP / LEARNERSHIP 2027

Dear Hiring Manager,

I am writing to express my interest in an Environmental Management internship or learnership opportunity for 2027. I am currently in my final year of the BA Environmental Management degree at the University of South Africa (UNISA), and I expect to complete my degree in 2026.

I have also completed a Higher Certificate in Life and Environmental Sciences at UNISA on 12 April 2024. Through my studies, I have developed a foundation in environmental management and sustainability, research, reporting, environmental legislation awareness, communication, teamwork, and time management. I am eager to apply my academic knowledge in a practical workplace and gain valuable professional experience.

I hold a valid Code 10 driver's licence and Security Officer Training Grades E, D and C. I am hardworking, reliable, motivated, willing to learn, and available for opportunities in 2027. I am also willing to relocate nationally and work in field, office, or community-project settings as required.

I would appreciate your consideration for any suitable internship or learnership opportunity. Professional references are available upon request. Thank you for your time and consideration. I look forward to the opportunity to discuss my application.

Kind regards,

Slindile Nsele
