Objective

I want to succeed in a stimulating and challenging environment that will provide me with advancement opportunities. I want to excel in this field with hard work, perseverance and dedication.

Experience

- **VEA Road Maintenance and Civils** 01/05/2026 - 30/10/2026
  Trainee
  Assisted with road maintenance and civil works for 6 months. Duties included site preparation and clearing, setting out levels, mixing and pouring concrete for roads and slabs, installing kerbs and channels, formwork/shuttering for concrete slabs, finishing and curing concrete. Ensured safety by wearing full PPE, identifying hazards and risks, checking material deliveries, and keeping site clean. Worked with willing heart and learned quickly from artisans.
